

Dont Send a Card. Address a Problem.

Instead of sending corporate Christmas cards or gifts this year, get involved in the Simon House of Cards Appeal and help us fight homelessness. We will use the support you give us to provide food, shelter and permanent housing to those who need it most.

Simon is asking you to make a difference to the lives of almost 10,000 people experiencing homelessness in Ireland today. In return, your company logo or listing will be featured in three full pages of The Irish Times in December and January and your company logo or listing will appear in the spectacular three day *Simon House of Light Projection Show* at The Powerscourt Townhouse Centre in Dublin.
